Digital in the Marketing Branding

Also use modelling to decide on your brand Pick people who are doing well in your niche and whose sites/brands you like What can you learn from them and what aspects can you use? It doesn't have to be someone in your niche, just someone who is doing well For example, I modelled my website after a personality blogger, not another author

FINAL REPORT Washington and Water

use Similar educational materials can be used for fans who attend games in the arena, and to promote general water conservation Examples of possible signage include: where the nearest water filling station is, as well as similar visualizations of average water use data for the arena
