1990 Brock Ford EA Falcon Did you hear the story about Allan Moffat racing Group A Commodores and Peter Brock building special Falcons while Holden enlisted a Scotsman to do Brock's job? For a while there in the late-1980s and early-'90s, the local muscle car world turned upside down, with old allegiances meaning very little when it came to ...

Considering the fundamental simplicity of the Ford's suspension it behaves well enough for a 1600 kg vehicle, although the S still doesn't go far enough for some of the engineers and we should see a less compromised version sometime early in 1990. The EA Falcon, Series II, is the car Ford should have given us in early 1988, it's good

The Ford Falcon is a full-size car, produced by Ford Australia from 1988 to 1991. It was the first iteration of the fifth generation of this Australian-made model and included the Ford Fairmont —the luxury-oriented version of the Falcon; the result of a A\$700 million development program, the EA Falcon bore a passing resemblance to the European Ford
