What is the black sheep? The black sheep in the family usually refers to the 'peculiar' member of the family who is a clear misfit. The black sheep is unlike the other members in the family unit and is considered to be the worst member as they are different. It is considered that the black sheep has a bad reputation and makes wrong decisions. They are the one who do not fit in with the rest of the family and do not follow the rules of the family. However, this is far from the truth.

The Power Of Being The Black Sheep In The Family

Generally considered the outcast of the family, the black sheep is typically assumed to be an oddball. Furthermore, the rest of the family believes that the black sheep brought this upon himself. It is true that sometimes the black sheep is indeed "odd" by anyone's standards (sometimes the result of a hidden mental illness).
