Neumeier eventually started unofficially working in the Art Department, where he asked what the movie was actually about. Someone told him the movie, which would eventually be called Blade Runner (1982), was about "a robot in a tutu." This gave Neumeier the inspiration to write RoboCop (1987).

Blade Runner (1982) - IMDb

Blade Runner didn't perform well at the box office and even received a mixed response from critics initially, but that perception has changed over time. Scott's neo-noir sci-fi movie is now regarded as a classic piece of cinema and is well-regarded as one of the best films in the genre and of the director's career.

Blade Runner's Multiple Cuts (& Differences) Explained

Blade Runner and The Thing are considered masterpieces of American cinema. But on June 25, 1982, they debuted as critical and box office failures.

Why Were Blade Runner, The Thing Failures in 1982 But Are ...

Blade Runner 2049's Oscar-winning cinematography and effects go a long way in making it one of the most visually stunning science-fiction movies of recent years, perhaps even ever, and it can leave its fans wondering if there are any movies within the genre that can live up to its incredibly high standard.
