Cantharides, or cantharidin, consists of the broken dried remains of the blister beetle (q.v.) Lytta vesicatoria. It has been a traditional sexual stimulant fed to male livestock to facilitate breeding. In humans the substance produces skin blisters on contact, and attempts to ingest it as an aphrodisiac are considered extremely hazardous.

Aphrodisia Erotic Romance Sharon Page Kate Pearce Sexually ...

Blood Red is a story loaded with sex. There is voyeurism, orgies, threesomes, gay sex and more. It's very hot. The loving between Althea, Yannick, and Bastien is spicy and romantic as well, but I felt that the frequency of sex between them or others tended to override the storyline at times and it happens in some rather inopportune moments.
