Constitutional law is an area of law dealing with the interpretation and application of the powers, rights, and freedoms established by a formally adopted constitution or charter. It encompasses the powers of the various branches of government and the rights of the people. Constitutional law evolves over time as it is interpreted by the courts and legislative bodies.

Constitutional Law: Definition and Function

Constitutional law is a body of law which defines the role, powers, and structure of different entities within a state, namely, the executive, the parliament or legislature, and the judiciary; as well as the basic rights of citizens and, in federal countries such as the United States and Canada, the relationship between the central government and state, provincial, or territorial governments. Not all nation states have codified constitutions, though all such states have a jus commune, or law of

Constitutional law - Wikipedia

Constitutional law, the body of rules, doctrines, and practices that govern the operation of political communities. In modern times the most important political community has been the state. Modern constitutional law is the offspring of nationalism as well as of the idea that the state must protect certain fundamental rights of the individual.

Constitutional law | Britannica

Constitutional law refers to rights carved out in the federal and state constitutions. The majority of this body of law has developed from state and federal supreme court rulings, which interpret their respective constitutions and ensure that the laws passed by the legislature do not violate constitutional limits.

What is Constitutional Law? - FindLaw

Constitutional law attorneys assist clients whose civil rights have been violated by the government. Most constitutional law cases focus on one of several legal issues, including the First Amendment (freedom of religion, freedom of the press and freedom of expression), Second Amendment (right to bear arms), due process or equal protection.

Find a Clifton, NJ Constitutional Law Attorney ...

Constitutional law is the law that relates to interpreting, implementing and amending the United States constitution and the constitutions of the 50 states. It is an area of law that focuses on what the constitution says, what it means and what its limitations are. As social and political issues change and develop in the United States, attorneys who practice constitutional law bring these issues to the courts to ask for clarification about the meaning, interpretation and enforcement of the ...
