### Eat Run By Scott Jurek

In Eat & Run, Scott opens up about his life and career — as an elite athlete and a vegan — and inspires runners at every level. From his Midwestern childhood of hunting, fishing, and cooking for his meat-and-potatoes family, to his early beginnings in running (he hated it), to his slow transition to ultrarunning and veganism, to his incredible, world-spanning, record-breaking races — Scott’s story shows the power of an iron will and the importance of thinking of our food as our fuel.

Dusty introduced him to marathons and ultras. The relationship of Scott and Dusty is quite an interesting read. Because of his busy lifestyle with insane amounts of running, Scott became a hardcore junk food eater to get in the calories. Slowly he made a complete transition into being a vegan.

### Book Review - Eat and Run by Scott Jurek - Blog On Running

I like to do 2 to 3 miles on the infield of a track or in a park after an easy run day or for a cooldown run after a track workout. Two important things to remember—other than starting slow and easy—are that you don’t need to run barefoot all the time to get the benefits. And you don’t need to run completely barefoot.
