Economic Reform In Vietnam

Đổi Mới is the name given to the economic reforms initiated in Vietnam in 1986 with the goal of creating a "socialist-oriented market economy". The term đổi mới itself is a general term with wide use in the Vietnamese language. However, the Đổi Mới Policy refers specifically to these reforms that sought to transition Vietnam from a command economy to a socialist-oriented market economy. The Đổi Mới economic reforms were initiated by the Communist Party of Vietnam in 1986 ...
