Farm City The Education of an Urban Farmer There are people — in fact, the vast majority of Homo sapiens — who see and define their existence through the lens of what they do: Teachers, bus drivers, nurses, architects, accountants, and any number of professionals whose modus operandi is collectively understood and agreed upon. Then there are those who teeter along the edges of known and accepted ways of existence, their divine operating systems not quite programmed for vocational ...

Summary and reviews of Farm City by Novella Carpenter

Agriculture. Food. Community. The Education Farm was started with these three ideas - and they remain the foundation of all that we do. From growing and harvesting food to donate to local food banks, to providing hands on opportunities for children and adults, to helping to lay the foundation so that a new generation of farmers have the tools they need to be successful with workshops, the ...

Fauquier Education Farm - Agriculture. Food. Community.

"Farm-based education is powerful because it is hands-on and experiential. The pure joy that we see so often in a child's face when they hold a chicken, discover a worm in the soil, or have a cow eat grass right from their hand for the first time illustrates the impact that this type of education can have."
