overwhelm anyone. ZFS experts can make their servers zing—and now you can, too, with FreeBSD Mastery: Advanced ZFS.

FreeBSD Mastery: Advanced ZFS by Michael W. Lucas

If you want to install FreeBSD on to a ZFS, this is covered including possible problems and what to do. I totally recommend this book for anyone interested in FreeBSD (ZFS on Linux) if they are curious about ZFS and want to know more, sysadmins, or users in general. It's great to use as needed or to read for general knowledge.

FreeBSD Mastery: ZFS eBook por Allan Jude - 1230000444859 ...

The FreeBSD Mastery series is very a good set for anyone interested in getting the most out of FreeBSD. I've been using FreeBSD since 2.x over 20 years ago and I still find these books very useful especially for the ZFS coverage (volumes 7 and 9). Michael Lucas has a very engaging writing style and includes lots of useful command line examples.

FreeBSD Mastery: ZFS: Volume 7 (IT Mastery): Amazon.co.uk ...

FreeBSD Mastery: jails cuts through the clutter to expose the inner mechanisms of jails and unleash their power in your service.

FreeBSD Mastery: Jails - Tilted Windmill Press

Boot environments are built on top of ZFS. Recent FreeBSD installers create fine-grained datasets rather than a single large dataset, which means you can leverage boot environments on FreeBSD. Boot environments will go into FreeBSD Mastery: Advanced ZFS.
