### Getting Somalia Wrong Faith War

At least that is how it is inevitably presented by politicians and in the media. In Getting Somalia Wrong?, Mary Harper presents the first comprehensive account of the chaos into which the country has descended and the United States' renewed involvement there. In doing so, Harper argues that viewing Somalia through the prism of al-Qaeda risks further destabilizing the country and the entire Horn of Africa, while also showing that though the country may be a failed state, it is far from being ...
