Mage The Ascension Revised Edition

The heroes of Mage: The Ascension, revised in the tradition of Vampire: The Masquerade, have lost their war for reality -- but the struggle continues in this quintessential volume. All of the Traditions are updated and elaborated upon, along with the history of mages in the World of Darkness.

Mage: The Ascension Revised Edition by Stewart Wieck

The Revised edition of Mage purposefully made the game much darker and grittier, declaring the Ascension War all but lost to the Technocracy, and removing all the most powerful Council mages through the device of the Avatar Storm, which also made it much more difficult for mages to travel through the Umbra.
