The Saturn Return calls for personal growth and major life changes, and your partnership will also have to grow and change if it is to survive. Now is the time to address any issues that have been lurking beneath the surface, and to take responsibility for making necessary adjustments in how you relate.

## **The Importance of Your Saturn Return in Astrology**

The first Saturn Return, which can happen between ages 27 and 30, is a bit like a cosmic bar mitzvah, quinceanera or communion if you will: a rite of passage welcoming you into your more mature role here on Earth. In astrological lore, Saturn is the great taskmaster of the skies. We prefer the term life coach or personal trainer actually, since ...

In horoscopic astrology, a Saturn return is an astrological transit that occurs when the planet Saturn returns to the same place in the sky that it occupied at the moment of a person's birth. While the planet may not reach the exact spot until the person is 29 or 30 years old, the influence of the Saturn return is considered to start in the person's late twenties, notably the age of 27.
