Welcome to the ABSITE Review Course. This is a weekend (2-day) intensive review course, offered in November, December 2019 and January 2020. The course includes lectures on important topics in both basic and clinical sciences of surgery, and is based on the SCORE curriculum.

## **ABSITE Review Course**

This is an excellent book to assist with ABSITE studying. I used it as an adjunct with SCORE questions (there are lots of Q banks you can choose from), so that I had a quick reference to make sure I covered all important topics in any one category. I previously owned the 5th edition and I was very disappointed with

The ABSITE is the American Board of Surgery In-Service Training Exam. Officially it is a “formative evaluation instrument to evaluate residents’ progress” and we’ll talk about the importance of the exam which varies from program to program. Every year in January the ABSITE is given and it’s a 250 question 5 hour exam.

of their general surgery training.

### **The ABSITE Review by Steven Fiser - Goodreads**

The ABSITE Review, 6th Edition, remains your #1 choice for effective, efficient review for this critically important exam. Written in a high-yield, memory-prompting outline format, Dr. Fiser's concise handbook covers every topic on the American Board of Surgery In-Training Examination, thoroughly updated for today's residents.

### **The ABSITE Review - Lippincott Williams & Wilkins**

"Fiser's ABSITE Review was the first preparatory book written in outline style and surprisingly continues to be the only book of success in the market written in this style (most are Q/A). All facets of the test are covered, from basic science to clinical knowledge in general surgery as well as the surgical subspecialties.
