Community foundations play a critical role in civil society. Community foundations identify key issues and worthy charitable priorities in their regions. They draw attention and support and build coalitions to attend to those issues, and they attract contributions of various types to fund these efforts now and in the future.

### Donor-Advised Funds and Community Foundations, Reimagined ...

5 The term "commercial society" is associated principally with Smith. It is a society in which the division of labor is so entrenched that everyone "lives by exchanging, or becomes in some measure a merchant" (WN, Liv.1).
