The ancient Romans used the Latin word virtus (derived from vir, their word for man) to refer to all of the "excellent qualities of men, including physical strength, valorous conduct, and moral rectitude." The French words vertu and vertu came from this Latin root. In the 13th century, the word virtue was "borrowed into English".

Virtue - Wikipedia
Brilliantly orchestrating the newest findings of geneticists, psychologists, and anthropologists, The Origins of Virtue reexamines the everyday assumptions upon which we base our actions toward others, whether in our roles as parents, siblings, or trade partners.

The Origins of Virtue (Audiobook) by Matt Ridley | Audible.com
— Frederick Kaufman, Harper's, February 2008 Disinterestedness was the most common term the founders used as a synonym for the classical conception of virtue or self-sacrifice; it better conveyed the threats from interests that virtue seemed increasingly to face in the rapidly commercializing eighteenth century.

Virtue | Definition of Virtue by Merriam-Webster
"Moral Origins is an exciting study on the evolution of human morality that is appropriate for scientific researchers and also of interest for the general public as well. Christopher Boehm brilliantly ties fundamental aspects of human cooperation such as altruism, free-riding, and bullying to both primitive and advanced societies.
