Unlocking the Gate. One of the greatest challenges that community colleges face in their efforts to increase graduation rates is improving the success of students in their developmental, or remedial, education programs — the courses that students without adequate academic preparation must take before they can enroll in courses for college credit. Emphasizing results from experimental and quasi-experimental studies, this literature review identifies the most promising approaches for ...

Opening the gates was a process that required the cooperation of hundreds of players from all races and factions, involving monsters and quests from all corners of the world map. The Gates of Ahn'Qiraj were sealed by powerful magic, and to open them, an elite guild had to brave a number of trials to reconstruct a long-lost artifact: the Scepter of the Shifting Sands .

This website and blog are called "Unlocking the Gold" because I firmly believe that we are all created with a huge amount of gold inside each and every one of us. The gold is our unique identity, calling, giftings, purpose. Some of us, though, struggle to realise our true identity and don't always live from that place.
